

# Hadlow Fields

## Campsite & Activity Centre

### Information for Duke of Edinburgh Groups

Hadlow is an ideal location for an overnight stay, or as a base for extended training over several days.

There are a number of campsites suitable within our 9 acres of land that include an open fronted wooden shelter and access to a number of fridges and freezers in 'The Ice House'. There is a toilet block including separate male and female facilities, we've installed 2 outside dishwashing sinks next to the toilet block and there are a number of water points around the site.

The site is well off the main road secluded with limited signage up a single tarmaced track with passing points. Although there is good parking for staff cars and school minibuses, we do encourage staggered arrival and departure times where parents are using the car parks to drop off or pick up larger volumes of DofE'ers (car park can cope with approx 30 vehicles at one time).

Most importantly, there is easy access to the Wirral Way. 5-10 minutes walk away is an access point onto the Wirral Way up by Hadlow Road (disused) Railway station in Willaston Village - point 2 on the map.

Explore Wirral

<https://www.visitwirral.com/explore>

We want to be good neighbours which includes us ensuring that the site is quiet between the hours of 10pm and 7am. Users will be asked to adhere to the site rules, please see booking information.

We look forward to hearing from you soon!

**Address:** Hadlow Road, Willaston, Neston CH64 2UN (Sat Nav takes you to wrong drive) please look for our level stone sign, Hadlow Fields painted on in black and white.
