

Virtual Camp

Guides Own is a special ceremony used to close a camp, it's when everyone comes together before the official closing of camp.

It's a tradition that Girl Guides & Girl Scouts have participated in for over 100yrs

It's a time to think about our Promise and our Law and how we live them in our day to day lives. It's also a time to think about what we've achieved during our camp, the things we've learnt & the places we've virtually visited.

It's also a time when we can think about what our next Guiding Adventure will be.

We would like you to think,

'What being a member of Girlguiding means to you?'
and then share your thoughts with us by writing a short poem, or drawing a picture, or recording a short video.
