

Hedgehog Challenge

This challenge has been produced to raise funds for Hadlow Fields which is the camp site for Girlguiding Wirral. We have several hedgehogs around the campsite and this challenge celebrates our prickly friends!

There are enough activities in the pack to fill a few meetings and they can be linked to interest badges and Unit Meeting Activities. Just complete one activity from each section.

We hope you enjoy the challenge!

Try baking one of these hedgehog treats!

(all instructions are available online)

- Bake a hedgehog bread roll
- In your patrol or six, decorate a sponge cake to look like a hedgehog
- Using chocolate sprinkles to decorate a cupcake or doughnut bite to look like a baby hedgehog (hoglet)
- Go retro and make a sausages on sticks or pineapple and cheese on sticks to make a hedgehog for a party
- Make an Australian Hedgehog slice

Get crafty and make a hedgehog!

(all instructions are available online)

- Make a hedgehog painting using a fork
- Go for an autumn walk to collect leaves and use them to make a hedgehog picture for your meeting place (or use hand cut outs)
- Make a hedgehog from a book using book folding
- Make a hedgehog from a pine cone
 - Make a pom pom and then shape it to look like a hedgehog

Find out how you can help a hedgehog!

- Invite your local hedgehog rescue to visit you unit to tell you how to care for hedgehogs
- Do a litter pick to prevent the litter from harming hedgehogs and other wildlife

- Collect food/supplies for your local hedgehog rescue
- Check your garden/school/meeting place is a safe place for hedgehogs to live in
- Make a hedgehog house

Play a hedgehog game!

(instructions included in the pack)

- There is a famous hedgehog game which uses obstacle courses to win points. Create an obstacle course for another group then swap to see who can complete it
- Play pass the 'prickly ball'
- Play the hedgehog food game
- Play the hedgehog sticker game
- Hide the hedgehogs around the room and challenge the group to find them all

Games Instructions

- **Play pass the 'prickly ball'**

Similar to pass the parcel. When the music stops the person must either (depending on the age of the children) do something that a hedgehog would do, give a hedgehog fact or answer a hedgehog question.

- **Play the hedgehog food game**

Scatter pictures of food/bugs onto the floor. The girls must pick up the ones which are good for the hedgehogs. There is one point for a correct food item. The one/group with the most items wins.

- **Play the hedgehog sticker game**

The children sit in a circle and close their eyes. One leader goes round the circle and taps everyone one the back. A sticker is stuck on the back of one child. Then everyone walks around the room in silence without pointing. If they see the sticker they curl up on the floor like a hedgehog. The person with the sticker has to guess it is them before everyone has curled up.

- **Hide the hedgehogs**

Print out/draw around 20-30 hedgehogs and give them each a name (can you name them all with an H). Hide them around the meeting place and set a timer so that they all must be found in the time. See which group finds the most. Alternatively, leave them all where they are and write down the names.
