

# Hadlow Fields

## Campsite & Activity Centre

Hadlow Fields is an ideal place for Guide camps, Pack Holidays indoor or under canvas, Rainbow Sleepovers or Senior Section get aways. We are also ideal as a Duke of Edinburgh practice camping site.

### What's nearby?

We are situated on the Wirral Peninsula between the River Dee and River Mersey. The site itself is well set back from the road and surrounded by trees. Our Cottage and Orchard Shelter is great for those who prefer being indoors while our camping area is 9 acres of flat grassland with 6 campsites.

The site is within easy reach of Chester Zoo, West Kirby Marine Lake, Liverpool, Chester and North Wales. With Hooton railway station only a short distance away you can access direct trains to Liverpool and Chester for sightseeing trips [www.merseytravel.gov.uk](http://www.merseytravel.gov.uk) [www.travelcheshire.co.uk](http://www.travelcheshire.co.uk) The Wirral Way which is a pedestrian public right of way runs from Willaston village all the way to West Kirby taking in the towns of Neston and Parkgate along the way. It's ideal for walking and cycling.

### Cottage & Orchard Shelter

The cottage has gas central heating, a coal / wood fire, a large TV and DVD player and a full catering kitchen with large fridge and small box freezer. One dormitory sleeps 18 on bunk beds. One leaders room sleeps 2 on a bunk bed. There is additional space in the main area for leaders to sleep and / or you can book Swallows Nest. Orchard Shelter is an enclosed (unheated) room leaning onto the cottage. It's a great craft activity space with a sink and cold running water and power.

### Swallows Nest

Is part of the main cottage, but accessible only from outside the cottage from its door leading onto the main campsite. It makes it ideal as an additional adult (or YL over the age of 16) bedroom or it can be booked by those using a campsite or standalone. It has 2 small single beds and a double bed with a kettle with tea and coffee making facilities.

### Tentage

You can hire out our wonderful tipis, 3 Festy tents and / or 2 Soulpads with optional wood burning braziers for added luxury and out of season camping! We have a variety of other lightweight tents and camping equipment you can hire too.

### Onsite equipment & activities

We offer archery sessions with our Archery GB qualified instructors and also have 17 mountain bikes available for hire to Guiding members. There is a huge traversing wall, games store including giant games, circus skills equipment, plus we have campfire circles and a variety of bushcraft equipment including hammocks and tarps and cooking equipment available.

### Developments

We're in the process of adding an outdoor classroom area as well as an outdoor washing-up area especially for Duke of Edinburgh and school groups. Plus we're recruiting and training up more archery instructors this year to deal with demand!
